

Armadale Bowls Club @ South Caulfield

Master Builders Association Bowling Competition

Wednesday 13th February 2019

Start time 12.00

Wednesday 13th February is the Master Builders Association bowling competition. Lunch and afternoon tea is provided by our catering committee.

Must be there by 12.00. Single entries only for this week. Teams of four will be compiled against the Master Builders on the carpet.

We would like as many bowlers from our top sides, as well as our regular Wednesday bowlers, to participate in this special event.

We are expecting a great day and the competition from the other side will be fierce.

There is a list in the shed for single entries.

Please call David Janover or David Winestone if you are unable to put your names down.

Looking forward to seeing you all on the day.
