## SKIN CANCER FREE CHECK UP

Almost 30 Members have visited Monash Medical Centre for a FREE SKIN CHECK from the previous offer.

Due to this great response, they are offering it to our Members and a family member again.

**This is open to August 31<sup>st</sup> to make the booking.**

**The appointment can be after August 31<sup>st</sup>.**

As this is a fairly short timeframe, please go ahead and make your bookings in the coming week. We are requesting an extension on this offer; and will advise if it is confirmed.

In the meantime please don't miss the opportunity. Our exposure to sun even while playing bowls is extensive. Please protect your skin. And have regular check-ups.

We have had great feedback about the Doctors at the Monash Centre from our Members.

**The HEALTH OF OUR SKIN IS SO VITAL. PLEASE NOTE THE 5 SIGNS OF MELANOMA.**

Your Health, Wellbeing and Safety Team.

## SPONSORS

Our valued Sponsors are a very important part of our Club community with Sponsors contributing about 10% of our annual revenue. Can we ask that you please be aware of who our Sponsors are, by checking in the Fixture Book or on our website and on the board in the Clubroom. Whenever possible, please support them and make it known to them that you are a member of the Armadale Bowls Club.

Also, if you have an idea or suggestion as to who could be approached as a possible Sponsor, please advise Jack Cooper, Robyne Schwarz or Rob Millingen, who will follow up the lead. We all have wide circles of contacts who could provide a source of new Sponsors

In the coming months, a member of the sponsorship committee may contact you personally to ask if you can assist by providing the name of a company or service provider who might be a potential sponsor. Your assistance will be greatly appreciated and benefit your Club.

## BOWLING WITH NO ARMS

I Stumbled on this most amazing link of a man in England who was born without arms but still manages to play bowls. This is the height of determination and shows there are no limits if one wants to play our wonderful sport. I am totally inspired by this man's determination. You can read more about this outstanding person on the following link.

## THE LAWMAN

What did you say? Mind your language please  
By John Roberts, Bowls Victoria Umpiring Committee  
Chairman

Unfortunately there have been a too many times recently when complaints have been made in particular regarding inappropriate language on our greens and, less frequently, aggressive threats and behaviours by players. We do not need this in our great game. It's not only other players that can be offended but also spectators and alike. What can umpires and officials do?

Bowls Australia developed what are called instantaneous penalties which are part of Bowls Victoria's Rules for Competition, under Rule 1.5 - Penalties.

It asks that every BV affiliated Member undertakes to conduct themselves in a polite and sportsmanlike manner when participating in any bowls event anywhere in Australia.

What can an umpire do on these such occasions?

To our officials I would always suggest that a warning be given through the Side Manager in particular in regard to obscene and offensive language.

Usually this is enough to curtail the tongues. However the Rule (1.5.1) is clear.

If the Umpire, on appeal by the Controlling Body, a Side Manager, a Skip or an Opponent, or by observation, in their opinion decides that a breach of any Law or Rule or any action by a Player at any BV bowls event including:

- \* acts in an abusive, threatening or intimidating manner towards any person,
- \* uses obscene, offensive, abusive, threatening or intimidating language towards any person,
- \* acts in a unsportsmanlike manner,
- \* threatening any person with physical violence or assault,
- \* assaulting any person,
- \* acting in a manner likely to bring the sport of bowls into disrepute
- \* acting in a manner likely to bring Bowls Victoria into disrepute,

then, the end shall be immediately regarded as completed and the Opponent of the offender shall be awarded as many shots as there are bowls in use by the Opponent in singles or opposing Team in a Team game.

In pennant, that's an eight!

Upon a second such offence by the same Player in the same game, the Umpire shall award the game to the Opponent/s and shall forward a written detailed report about the incident to the Controlling Body within seven (7) days of the incident. If the incident occurs between ends the last played end will be adjusted as prescribed. This penalty will not apply to the last end of the match as the match is deemed to be then completed.

Serious offences may also be subject to police action.

A good umpire is authoritative and not authoritarian, common sense should prevail. Like in all sports a good umpire is rarely noticed. Players, please watch your language.

## JOKE OF THE WEEK

While golfing, a senior gentleman accidentally overturned his golf cart late one afternoon. A very attractive, young, female golfer, who lives in a villa on the golf course, heard the noise and called out, "Are you OK?"

"I'm OK, thanks," he replied, as he pulled himself out of the twisted cart.

She said, "Come up to my villa, rest a while, and I'll help you get the cart up later."

The old guy noticed her silky bathrobe was partially open, revealing what appeared to be a very nice figure.

"That's mighty nice of you" he answered, "but I don't think my wife would like it."

"Oh, come on now!" she insisted.

She was so pretty, and very, very persuasive. He was weak.

"Well, OK," he finally agreed.

After a couple of Scotch and sodas, he thanked her and said, "I feel a lot better now. But I know my wife is going to be really upset. So I'd better go now."

"Don't be silly!" she said with a smile, letting her robe fall slightly more open. "Stay for a while. Your wife won't know anything. By the way, where is she?"

He replied, "Still under the cart, I suppose."
