JUNIOR BOWLS PROGRAM: Child Safety Policy

The New Season will see more Juniors involved in bowls at our Club. A number of initiatives with Schools and Clubs are in progress, encouraging students to bowl. Each of us has an important role to play to ensure their safety in every way. We need to safeguard and assure each child and their parents or relevant schools that appropriate behaviour – be it physically or emotionally-is maintained at all times. Should this not be the case and you become concerned about any child's safety, please take immediate steps to 1) assist that child 2) report the issue to any Board or Bowls Committee Member. This will be taken extremely seriously, and the confidentiality of the child and person reporting the matter will be maintained.

The details of the Club's Child Safety Policy now officially in place, is detailed below. Please read these requirements.

Thank you to each Member for your part in protecting every child who either visits or is a Member of our Club.

Steven Rubenstein, President

Armada Bowls Club @ South Caulfield

Child Safety Policy

Commitment to Child Safety

The Club's Board of Management holds each member accountable to provide a safe environment for all children in any program undertaken by Armadale Bowls Club. Each child is respected, valued and encouraged to strive to reach their best potential.

- **Proactive, preventative Safety Leadership**
- **Considering the strengths of all children fairly, regardless of cultural background or physical abilities.**
- **Ensuring all Members (children and adults) are aware of immediate actions to take if they observe or are subject to inappropriate behaviour.**
- **Ensuring all Coaches and Volunteers recognise the essential importance of safety of all children at all times.**
- **Monitoring appropriate behaviour between children.**
- **Treating any child abuse allegation very seriously and immediately, ensuring an appropriate response.**
Children will be fully listened to if any concerns for their safety or the safety of other children are brought forward.
- **Identifying and responding to any possible child abuse risks.**
- **Ensuring that risks or suspected risks of abuse would officially be reported to authorities as appropriate.**

Staffing Policy

We take all reasonable steps to ensure that the most suitable and appropriate people are in contact with children.

This includes Working with Children certification as required.

Ongoing training is undertaken to ensure the supervision standards for children are maintained.

Reporting Procedures

Any child who is concerned about any inappropriate physical or verbal behaviour, must immediately report this to a Board or Committee Member, or any adult that they feel comfortable to talk to.

Any adult aware of or observing inappropriate behaviour, must immediately advise any Board or Committee Member.

This matter will be immediately and appropriately investigated, ensuring the safety and confidentiality of the child and person reporting this matter.

JOKE OF THE WEEK

During my physical examination, my doctor asked me about my physical activity level. I described a typical day, "Well, yesterday afternoon, I took a five hour walk about 7 miles through some pretty rough terrain. I waded along the edge of a lake. I pushed my way through brambles. I got sand in my shoes and my eyes. I avoided standing on a snake. I climbed several rocky hills. I took a few 'leaks' behind some big trees. The mental stress of it all left me shattered. At the end of it all I drank eight beers." Inspired by the story, the doctor said, "You must be one hell of an outdoors man!"

"No," I replied, "I'm just a shit golfer." !!

CARTOONS OF THE WEEK.

“Your insurance will cover either the vasectomy or the anesthetic. Your call.”

“So I said to her, ‘How about giving me something to remember you by?’”

"Hey, it's good to see you again.
That medicine must have worked!"

"How do you know this isn't the button for
the nurses' station?"
