SANDBELT VOLUNTEER OF THE YEAR - Thelma Marcakis

Steven and Karen Rubenstein, Rose-Marie Todes and Morrie Powell attended the Sandbelt Opening Day on Sept 17th where Armadale's Volunteer of the Year, Thelma Marcakis, was presented with her well deserved Certificate. Congratulations to Thelma for her many contributions to the Club.

Not only is Thelma an amazing volunteer in so many aspects at the Club, she is a remarkable role model to us all. Her poise and etiquette are definitely 'old-school' and she is a treat for us to have in the Club. We want to thank Thelma for all that she does for us, and for travelling 25kms from Knoxfield to be there to help or participate; day or night in every special event.

Special Announcement

It was announced yesterday also that Thelma's nomination has been recognised by Sandbelt as the nomination they will submit to Bowls Victoria from those received by our Region. This will be considered against all other Regional candidates in Victoria. Once again our Club is very proud that our Nominee has been honoured in this way.

Last year Di Grosberg similarly won the overall nomination for Sandbelt.

Congratulations Thelma and many thanks to all of our Club's volunteers.

Each year it is very difficult to award this to just one person when so many are worthy.

Our internal Achievements program provides us with the opportunity to include many more people whose efforts are valuable.

TEAM APP.

Once again this season we will use Team App. to advise of last minute side changes or other urgent information. If you have not registered for Team App. please do so as soon as possible. If you need any assistance please see me (Bernie Gold) at the club.

NEW SMOKING CONDITIONS

Please note that smoking is now banned from the BBQ area and the only area within the club to smoke is between the outside toilets.

ELECTRIC LIGHT NIGHT PENNANT.

As Armadale will not be fielding a side in this seasons Electric Light Tuesday Night pennant, Glen Eira McKinnon has requested any of our members who wish to play to contact their manager Ross Maver. GEM will be fielding one side and is short of players. Ross is currently overseas and not back for 4 weeks so if anyone is interested in playing they should let me (Bernie Gold) know in the mean time. The competition commences on Tuesday 8th. November with 14 rounds of 17 ends.

TOURNAMENT ENTRIES:

We have received an entry to the Men's Singles with the required fee & form in an envelope marked Tournament Entry Box but no name on the entry. If it is yours can you please let Abe Stiglec know that it is yours.

FIXTURE BOOK ERROR

SPONSORS

Our valued Sponsors are a very important part of our Club community with Sponsors contributing about 10% of our annual revenue. Can we ask that you please be aware of who our Sponsors are, by checking in the Fixture Book or on our website and on the board in the Clubroom. Whenever possible, please support them and make it known to them that you are a member of the Armadale Bowls Club.

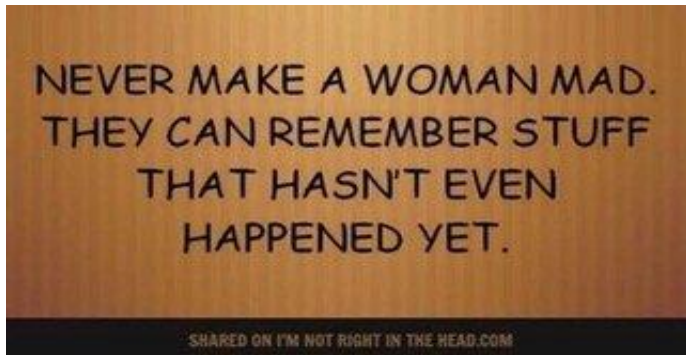

Also, if you have an idea or suggestion as to who could be approached as a possible Sponsor, please advise Jack Cooper, Robyne Schwarz or Rob Millingen, who will follow up the lead. We all have wide circles of contacts who could provide a source of new Sponsors

In the coming months, a member of the sponsorship committee may contact you personally to ask if you can assist by providing the name of a company or service provider who might be a potential sponsor. Your assistance will be greatly appreciated and benefit your Club.

CARTOONS OF THE WEEK.

JOKE OF THE WEEK

1955 - 62 Years Ago....Comments made in the year 1955!

If they raise the minimum wage to \$1.00, nobody will be able to hire outside help at the store.

When I first started driving, who would have thought gas would someday cost more than 20 cents a gallon. Guess we'd be better off leaving the car in the garage.

I'm afraid to send my kids to the movies any more. Ever since they let Clark Gable get by with saying DAMN in GONE WITH THE WIND, it seems every new movie has either HELL or DAMN in it.

I read the other day where some scientist thinks it's possible to put a man on the moon by the end of the century. They even have some fellows they call astronauts preparing for it down in Texas.
