## **SPONSORS.**

Our valued Sponsors are a very important part of our Club community with Sponsors contributing about 10% of our annual revenue. Can we ask that you please be aware of who our Sponsors are, by checking in the Fixture Book or on our website and on the board in the Clubroom. Whenever possible, please support them and make it known to them that you are a member of the Armadale Bowls Club.

Also, if you have an idea or suggestion as to who could be approached as a possible Sponsor, please advise Jack Cooper, Rob Millingen or Buddy Budlender, who will follow up the lead. We all have wide circles of contacts who could provide a source of new Sponsors

In the coming months, a member of the sponsorship committee may contact you personally to ask if you can assist by providing the name of a company or service provider who might be a potential sponsor. Your assistance will be greatly appreciated and benefit your Club.

## JOKES OF THE WEEK.

### **Last Will**

His nurse, his wife, his daughter and two sons, are with him.

He asks for two witnesses to be present and  
a camcorder be in place to record his last wishes.

When all is ready he begins to speak.

"My son, Bernie, I want you to take the Ocean Reef houses."

"My daughter Sybil, you take the apartments  
between mile markers 100 and Tavernier."

"My son, Jamie, I want you to take the offices  
over in the Marathon Government Center."

"Sarah, my dear wife, please take all the residential buildings on the bay side on Blackwater Sound."

The nurse and witnesses are blown away as they did not realize his extensive holdings,  
and as Doug slips away, the nurse says:

"Mrs.Pender, your husband must have been such a hard-working man to have accumulated all this property.

The wife replies,

"The asshole has a paper round"...

### **Old Age Is Fun**

I changed my car horn to gunshot sounds. People get out of the way much faster now.

Gone are the days when girls used to cook like their mothers. Now they drink like their fathers.

I didn't make it to the gym today. That makes five years in a row.

Old age is coming at a really bad time.

Last year I joined a support group for procrastinators. We haven't met yet.

Why do I have to press one for English when you're just going to transfer me to someone who can't  
speak it well anyway?

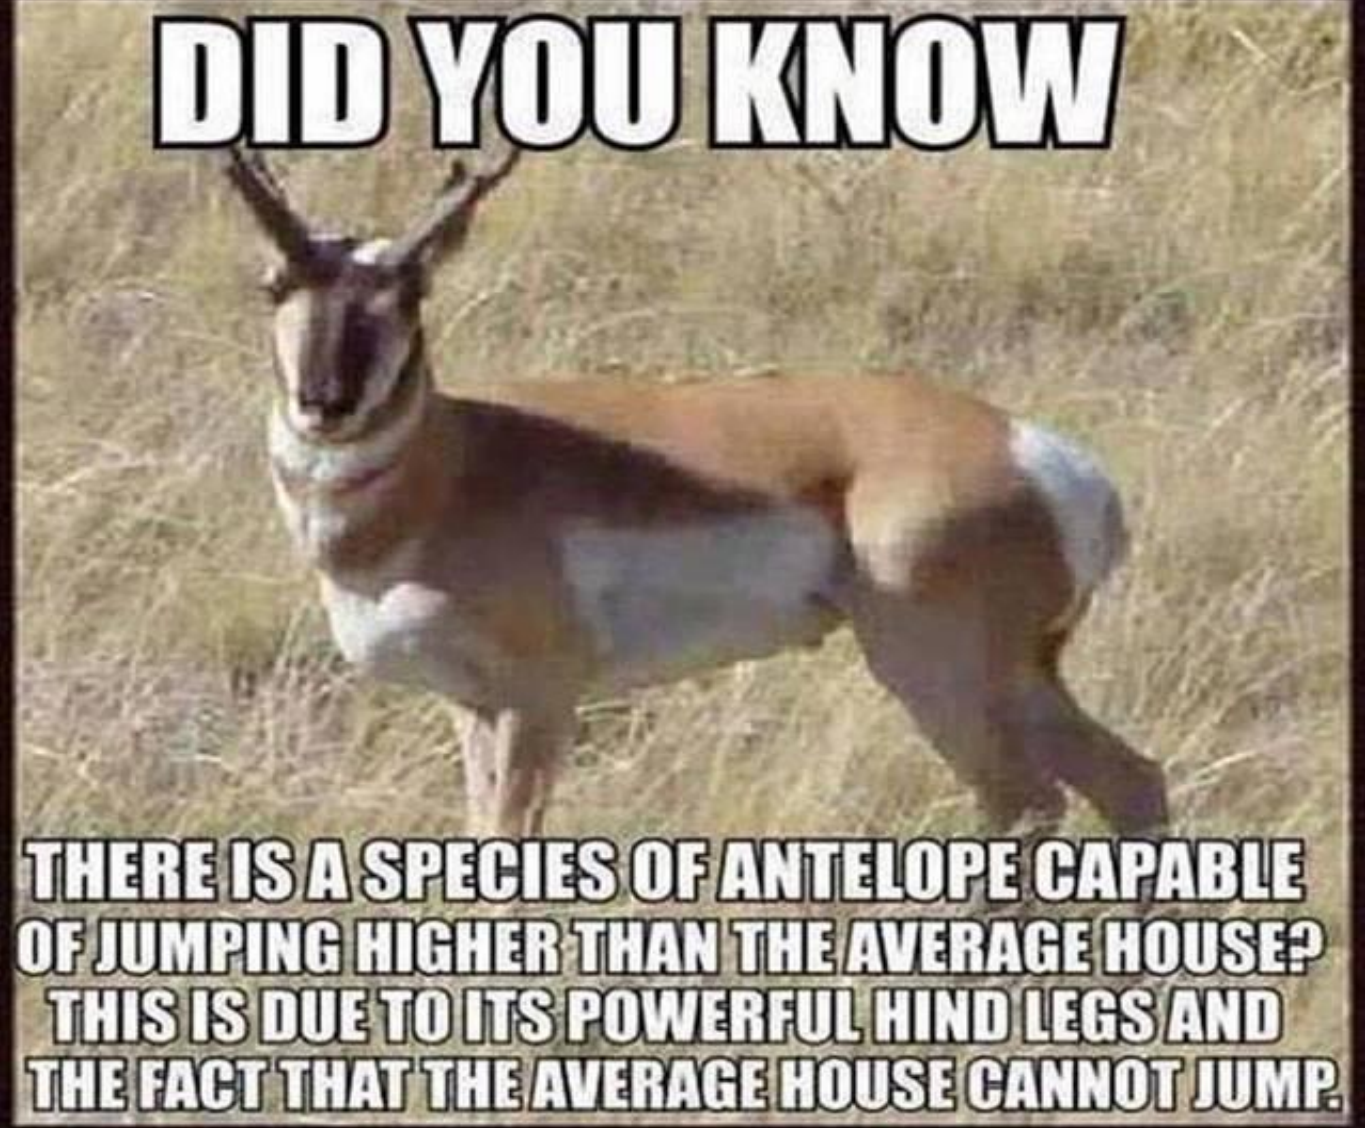

Of course I talk to myself. Sometimes I need expert advice.

At my age "Getting lucky" means walking into a room and remembering what I came in there for.

Actually, I'm not complaining because I am a Senager. (Senior teenager) I have everything that I wanted as  
a teenager, only 60 years later. I don't have to go to school or work. I get an allowance every month.  
I have my own pad. I don't have a curfew. I have a driver's license and my own car. The people I hang  
around with are not scared of getting pregnant. And I don't have acne.

Arguing with a women is like reading  
the Software License Agreement.

In the end, you ignore  
everything and click  
"I agree".

**DID YOU KNOW**

**THERE IS A SPECIES OF ANTELOPE CAPABLE  
OF JUMPING HIGHER THAN THE AVERAGE HOUSE?  
THIS IS DUE TO ITS POWERFUL HIND LEGS AND  
THE FACT THAT THE AVERAGE HOUSE CANNOT JUMP.**
